Notes from the President of the Franklin Area Citizens Association

Dear Franklin Area Friends and Neighbors:

Please make your plans now to attend the Annual Meeting of the Franklin Area Citizens Association's (FACA) on Wednesday, May 9th at 7:30 pm in Vinson Hall's Penthouse Auditorium. Our featured guest speakers are Senator Janet Howell and District Supervisor John Foust. Our Senator and Supervisor will be covering all the current important issues and they are looking forward to your questions. We are also privileged to have Admiral Kathleen Martin, CEO of Vinson Hall to speak on the modernization and expansion of Vinson Hall and its impact on our neighborhood.

Since its establishment in 1909, FACA, a voluntary organization served to promote the preservation and protection of our environment, safe streets and to provide a forum to resolve community issues. FACA helps neighbors in a variety of ways such as planning and zoning, land use, community services and interacting with the county government. FACA's projects are determined by its Board Members based on the needs of all neighbors. The Board is composed of volunteers and always welcomes new members. If you are interested in joining the Board, please email me at president@franklinarea.org.

Please become a FACA Member or Advertising Sponsor Today! We need your help in continuing to serve and represent the best interests of our community. Membership is only \$20 a year per family. And local businesses can sponsor an advertisement on our web site for just \$100 per year.

In the past year, FACA on behalf of its 800 families has:

- Worked with the County to preserve our environment, mitigate storm water runoff and flooding.
- Gone green by posting FACA News, community and meeting notes, and a comprehensive Neighbors Directory on the FACA website at www.franklinarea.org
- Requested support for various legislative initiatives regarding zoning reform, storm water mitigation, the establishment of an independent Inspector General and contractor reform.
- Implemented traffic calming measures for greater safety on our streets.
- Funded a subsidy program to encourage the planting of trees to renew our urban forest.
- Reconstituted a Neighborhood Watch with the Fairfax Police in an effort to raise safety awareness and eliminate crime. Anyone wishing to join the neighborhood watch, Gaby Greenwald will be available at the meeting with additional information.

I hope that you will join your neighbors at our Annual Meeting. If you can't make it please become a FACA Member and or Advertising Sponsor by contacting me or our Treasurer Wayne Knight at 1912 Virginia Ave.

With best wishes and thanks for all you do,

Wally Sansone
